

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 16536-A of National City Christian Church, pursuant to 11 DCMR § 3103.2, for a variance under subsections 530.1 and 533.4 from the building height restriction and recreation space requirements for the construction of an apartment house containing 175 – 180 units on the site that is now the parking lot and maintain the existing church in an SP-2 District at premises 14th Street and Thomas Circle Streets, NW. (Square 212, Lot 123).

HEARING DATE: January 19, 2000
DECISION DATE: January 19, 2000 (Bench Decision)

DISPOSITION: The Board GRANTED the application by a vote of 3-0 (Sheila Cross Reid, Kwasi Holman and Robert N. Sockwell to grant.)

FINAL DATE OF ORDER: March 27, 2000

MODIFICATION ORDER

The Board initially granted the Application by its Order dated March 27, 2000. By letter dated September 25, 2001, the Applicant filed a request to modify the previously approved plans that are consistent with BZA Order No. 16536, and to waive the six month filing requirement pursuant to § 3129.3 of the Zoning Regulations to allow for a modification of the previously approved plans. The minor modification of plans are primarily related to the relocation of community spaces within the building and changes to the fenestration pattern of the building. The changes involve exchanging space on the ground level of the building so that the residential uses planned for that level are relocated to the quieter N Street, N.W. frontage of the building.

The request was reviewed at the Board's November 6, 2001, public meeting, where the Board determined that additional information was needed regarding the request. The Board rescheduled consideration of the Applicant's modification request to its December 4, 2001 meeting. Pursuant to the Board's request, the Applicant submitted additional information regarding the modification request by letter dated November 21, 2001.

The site of this application is located within the jurisdiction of Advisory Neighborhood Commission (ANC) 2F. Pursuant to § 3129.4, ANC 2F, as the only party to the original Application other than the Applicant, was notified of the modification request. ANC 2F submitted a written statement in support of the modification request. The D.C. Office of Planning submitted a written report in support of the modification request.

Upon consideration of the motion for waiver of the six month filing requirement of § 3129.3, the circumstances surrounding the Applicant's attempts to develop the approved residential project and support for the modification request by ANC 2F and OP, the Board determines that the waiver should be approved.

Upon consideration of the Applicant's request for modification of the approved plans and support for the modification request by ANC 2F and OP, the Board concludes that the proposed modifications are minor and do not change the material facts relied upon by the Board in approving the Application.

The Board notes that the current Board members have reviewed the record in the initial application and the instant request for modification.

It is therefore **ORDERED** that the requests for a **WAIVER** of the **SIX-MONTH TIME LIMITATION FOR FILING A MOTION** and **MODIFICATION OF APPROVED PLANS** are **APPROVED**. In all other respects, the previous Order of the Board shall remain in full force and effect.

DECISION DATE: December 4, 2001

VOTE: 4-0-1 (Geoffrey H. Griffis, David W. Levy, Carol J. Mitten, Anne M. Renshaw to grant, the third mayoral appointee not present, not voting.)

BY ORDER OF THE D.C. BOARD OF ZONING ADJUSTMENT

Each concurring Board member has approved the issuance of this order.
